Today is: ________________________________

Circle the number that has a 2 in the thousands place: 4,325  2,390  3,920

What is one more than 88? _______

What is the time? _______

How much? _______

What number comes before? ______  74

What number comes after? 82 ______

What number is in the thousands place? 9,320 ______

Circle the bigger number: 749  698

Circle the odd numbers: 80  72  33  29  45

Which is two more than 20? 22  18  30

Solve the problems:

\[
\begin{align*}
102 + 419 &= 521 \\
66 + 17 &= 83 \\
226 + 438 &= 664 \\
13 - 8 &= 5
\end{align*}
\]

Circle the oblique line:

Write a title for this graph that makes sense.

Color the graph to show the following:

- 11 kids like pizza. (red)
- 2 kids like steak. (green)
- 6 kids like hamburgers. (blue)
- 7 kids like hot dogs. (yellow)

How many more kids like pizza than steak? _______
Homework Math

Today is: ____________________________________________

Circle the number that has an 8 in the thousands place:
3,815  5,581  8,513

What is one less than 73?

What is the time?

Circle the odd numbers:
55  90  47  33  82

Which is two more than 72?
74  72  92

Solve the problems:

\[
\begin{array}{cccc}
324 & +169 & 455 & -8 \\
52 & +29 & 228 & \\
15 & & & \\
\end{array}
\]

Circle the bigger number:
372  711

Write a title for this graph that makes sense.

Color the graph to show the following:

- 12 kids like purple.
- 3 kids like brown.
- 12 kids like blue.
- 5 kids like yellow.

How many more kids like purple than brown? _______

THIS IS A BAR GRAPH!
